CITY CLERK
HONOLULU, HAWAII

Dear Chair Marshall and Councilmembers:

On December 28, 2007, I transmitted Mayor's Message No. 155 to promptly notify the City Council of a travel gift from Milano The New School for Management and Urban Policy (Milano) to speak at their next *Urban Conversations* conference series scheduled for the evening of Friday, January 25, 2008 in New York City. Due to their holiday schedules, Milano could not provide the completed gift form at that time. However, I wanted to notify you about this offer in time for its consideration at the appropriate committee meeting in January 2008.

I have since received the completed declaration of gift form from Milano. I am therefore now transmitting the draft resolution for acceptance of this gift together with the declaration of gift and request acceptance by the City Council. The value of this gift is approximately \$1,350.00, which includes transportation, lodging and meals for me and an aide.

Urban Conversations: Strengthening the Middle Class is a conference series that brings together mayors, governors and other policy makers and opinion leaders from across the nation to foster fresh perspectives and new insights into the key challenges facing urban America and to discuss strategies for addressing them. This is an excellent opportunity for Honolulu to weigh in on matters of national importance.

I recommend that your Honorable Body accept this gift on behalf of the City and County of Honolulu.

Sincerely,
